

X-PURE LIQUID HAND ANTIMICROBIAL Specifications

X-PURE LIQUID HAND ANTIMICROBIAL is an Alcohol Based Hand Sanitizer (ABHS) containing 72% Alcohol as the active ingredient. Formulated with emollients to enhance the feel of skin and allow frequent use.

X-PURE LIQUID HAND ANTIMICROBIAL

APPLICATION

Add enough X-PURE LIQUID HAND ANTIMICROBIAL into hands to cover all surfaces thoroughly, including under the nails and between fingers. Rub hands together vigorously until dry. Do not rinse or wipe off hands. Use as part of a daily hand cleansing routine. Recommended for organic production under CAN/CGSB-32.311 and 310.

WASTE DISPOSAL

Rinse empty containers with cold water and recycle packaging where facilities exist. Unwanted or unused product should be consigned to a registered waste disposal company for disposal.

NOTE

All surfaces in direct contact with food must be rinsed thoroughly with potable water before reuse.
